MAIN STREET.

TERMS.....

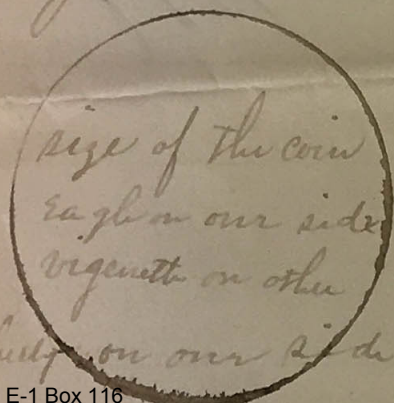

Smithville March 26. 1879
~~Wadsworth, O.~~

Director of U. S. Mint

It weighs as much as a half & a quarter dollar in silver

I have in my possession a gold coin, bears the date 1798 United States money. it is larger in diameter than an old half dol. although not so thick it measures 1 1/4 in. in diameter. I have shown it to different ones they make it worth \$10.50/100 It has been handed down for generations Will you please tell me whether there are many of the kind, what its worth &c By so doing you will much oblige

Yours most Respectfully

Smithville,
March 26, 1879

Director of U.S. Mint

Sir

I have in my possession a gold coin, bears the date 1798 United States money it is larger in diameter than an old half Dol. although not so thick it measures $1 \frac{1}{4}$ in. in diameter, I have shown it to different ones they make it worth \$10.50. It has been handed down for generations. Will you please tell me whether there are many of the kind, what its worth &c. By so doing you will much oblige.

Yours most Respectfully,
H.S. Thomas
